At Whitfield St James' school, we 'work together to achieve our best'. We have also been learning how we can work together to help other children too, even those in far off countries. We have partnered with the charity, 'Compassion', to provide 'Possibility not Poverty' for children all around the world. We have been learning about Ecuador, El Salvador, Honduras and other places by our classes, in turn, 'sponsoring' a child who lives there. Via the charity's translators we have received letters from these children, **Daniel**, **Kevin** and **Jonathan**. With our support, they are helped with basic living needs and schooling through the charity's Christian base local to them.

You can travel the world with us through [World Explorers](#) discovering more about the countries where Compassion sponsored children live.

You'll meet some of the children and hear about their lives and hopes for the future as you travel with us, as well as finding out interesting facts and information about each country. You can even try your hand at making a traditional meal from the recipes on each page.

#### Kids Devotionals

Ask your family to look at these devotions together. They will help your family talk about fear, health and other topics that might be on your mind such as fear, **worry** and your future.
