**"Give all your worries and cares to God, for He cares about you."** 1 Peter 5, v.7

Hello Light Club members! I hope you are all safe and well. I imagine you are glad that things are beginning to get back to normal. I hope you haven't been worried but happy and peaceful. Here is a story about a time when Jesus' disciples were worried, even though Jesus was with them.

I remember the days of the dreadful storm  
In my boat out on the sea,  
Certain soon I would be drowned -  
My terrified friends and me.  
How long would it be and could we go on?  
Would we reach the shore again?  
We certainly could not steer the boat  
In all this wind and rain.  
Some of us were sick and some of us cried,  
And some of us hid on the floor  
Who would help us reach the land?  
The safety of the shore?  
And where was my saviour all of the while?  
Had he forgotten me?  
Couldn't he see me tossed about  
In my little tub on the sea?  
Then one day I saw him sleeping there  
Unafraid of the tempest at sea.  
All at once he said "still" and the waves were calm,  
And my Lord, plain as day -  
Seated there in the boat  
Unafraid, in control  
Where he always had been,  
Right there -  
Always there in the boat with me.
