

GLOSSOPDALE OPEN EVENING, THURSDAY 24 September 2020, 6.00 pm to 8.00 pm

Dear Parent/Carer

I would like to extend a very warm welcome to all prospective parents and children in our local primary schools, and hope that you will take the opportunity to join us for our 'virtual' Open Evening on Thursday 24 September 2020 between 6.00 and 8.00 pm.

Due to restrictions for large gatherings and guidance provided by the DfE and Public Health England, we will not be able to hold our open evening on the school site. This is a real shame as I know how important it is for you and your children to come into the school building and see our amazing facilities for yourself. However, we will do our utmost to replicate the experience for you online.

We will launch our 'virtual' open evening with a live presentation by myself and Mrs Gilbert, Assistant Headteacher with responsibility for transition. The presentation is designed to give you a brief introduction to the school and an overview of the transition process throughout the year ahead.

As well as this, there will be a virtual tour of the school with some of our students, a new promotional film and interesting and entertaining films from each of our subject areas; showcasing our fabulous facilities, staff and students.

Please use the QR code to join us on the 24th September.

We look forward to 'seeing' you there.

Yours faithfully

D McGloin
Executive Headteacher
