

## Homework: Reception

### Autumn Term 1 2020 (Sept-Oct)

Our topic this term is all about friendship. As your child is settling into a new class with some familiar friends and some less so, we will be planning a range of learning opportunities to allow your child to really explore and develop their relationships. This is your homework for this half term. Complete as many as you can.

1. Make your favourite sandwich. Ask an adult if they could help, talk to them about how to stay safe in the kitchen and the importance of hand washing.
2. Draw a picture that shows all of the people that are special to you.
3. Make handprints of everyone's hands in your family and then cut out the handprints. Can you put them in order of size from the smallest handprint to the largest?
4. Have a look around your home and see if you can find 3 things that you think will float and 3 things that you think will sink. Ask an adult to help you find out if you were right!
5. Using junk from around your home can you build a model of your house? How many windows will it need? Don't forget details like your door number!
6. Practise writing your name - With paint, water and paintbrushes on the garden fence, in felt tip, crayon, pencil? Be as creative as you can.

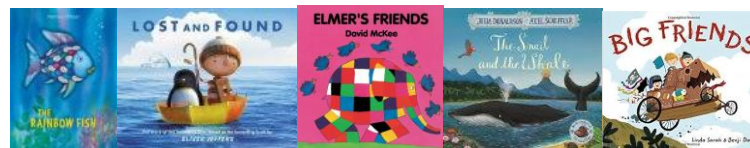

Homework due in Friday 16<sup>th</sup> October take a photograph and send it in!

## Homework: Year One

### Autumn Term 1 2020 (Sept-Oct)

Our topic this term is all about friendship. As your child is settling into a new class with some familiar friends and some less so, we will be planning a range of learning opportunities to allow your child to really explore and develop their relationships. This is your homework for this half term. Complete as many as you can.

1. Have a look through some family photographs. Spend some time talking about those people who are special to you in your family and think about all of the lovely things they do for you. Draw and label a picture of those people.
2. Make handprints of everyone's hands in your family and then cut out the handprints. Can you put them in order of size from the smallest handprint to the largest? Who has the biggest/smallest?
3. Make a card for a friend and send it to them. Use your phonic Knowledge to write them a message. Will you need to post your picture or can you walk to deliver it? Chat together about what picture your friend would like and why? You might even get one in return.
4. Have a look through your book box at home and pick out all the books about friendship. You could have a look in the local library or even do a book swap with a friend. Here are a few titles you might come across.

5. Using junk from around your home can you build a model of your house? How many windows will it need? Don't forget details like your door number!

Homework due in Friday 16<sup>th</sup> October take a photograph and send it in!
