

Dear Choir parents and guardians,

It has been a very strange half term. Sadly, due to covid rules, the choir has only been able to operate in small group 'class bubbles' and therefore we have only been able to meet every 2 weeks or so.

However, I am happy to say that those children who have come along for our singing sessions have been enthusiastic, polite and tuneful.

I'm still not sure if we will be able to perform together as one school choir for a long time yet but we will try and perform for you in some way, shape or form by the end of 2020.

Christmas won't be the same this year without our busy choir schedule!

I have signed up for Young Voices 2021 which is supposed to be taking place in May next year at the Manchester Arena. We shall have to wait and see whether this happens or not, but in the meantime your child can practise the songs on line.

If you go to the young voices website <https://www.youngvoices.co.uk/> and go to the menu you can then click on **for parents** and scroll down to **music room**. Click on the **music room** icon and then put the code **YV2021** in and you can then access dance and lyric videos to practise all the songs.

Kind regards and happy half term,

Mrs Collins
