

Bluebell Class - Maths Home Learning for children self-isolating

The screenshot shows the White Rose Maths website interface. At the top, there is a navigation menu with links for 'White Rose Maths', 'Resources', 'Professional Development', 'Home Learning', 'NTP', 'Who We Are', and 'News'. A search bar and a 'Premium Resources Centre' button are also visible. Below the navigation, the page title is 'Light and Dark - Week 1'. A breadcrumb trail indicates the path: 'Home / Home Learning / Early Years / Light and Dark - Week 1'. On the left, there are 'Previous' and 'Next' navigation buttons. The main content area is titled 'Overview' and includes a link to 'See the Early Years Phase Three overview here'. Below this, 'Session 1' is highlighted. A video player is embedded, showing a math activity with the number 4 and various objects. To the right of the video is a 'Get the Activity' button with a PDF icon. A sidebar on the right contains a 'Home Learning' menu with 'Early Years' selected, listing various resources like 'Just Like Me' and 'It's Me 1, 2, 3!' for weeks 1, 2, and 3, and 'Light and Dark' for weeks 1 and 2. Below the sidebar, there are sections for 'Year 1', 'Year 2', and 'Year 3'.

White rose Maths

-home learning

-early years

-light and dark week 1 w/c: 16th November 2020

-light and dark week 2 w/c: 23rd November 2020

For those children self-isolating please use the above link for maths. This will cover what the children would be learning in class. There are 5 sessions per week so please complete 1 session per day. These are short video clips where you might be asked to pause and complete an activity or complete a challenge.

Please do not hesitate to contact me via our class email should you have any queries.

Thank you

Mrs Allan
