

"Treat others as you want to be treated." Matthew 6, v34

This is a large charity with bases all over the world. They help children and their families living in poverty. We 'support' Jonathan from Ecuador, Kevin from El Salvador, Thuo from Kenya and Daniel Jesus from Honduras. The charity provides food, healthcare and support programs for the children through local churches and pay for their schooling. We write to our sponsored children regularly.

Compassion has some excellent websites. The second two are targeted at educating our children about the charity, their children and their work, and what it is like to live in different countries:

*You should feed those who are hungry.
You should take care of the needs of those who are troubled.
Then your light will shine in the darkness.
And you will be bright like sunshine at noon.*
