

This charity works to help Christians who live in dangerous situations. The charity has produced a map and prayer passport for children to help them pray for other children around the world. We are using these in our Collective Worship and Quiet Areas.

Jesus said, "This is my command: Love each other as I have loved you."

John 15, v.12

Last year we contributed to this charity's 'Post it!' campaign. We drew pictures which were sent abroad and given to children who needed encouragement and cheering up. With bullying at school and tensions at home, it's easy to understand why those children need encouragement.

The Open Doors workers who delivered the cards were so pleased to be able to show the children they met that they aren't alone, and that children around the world have been thinking of them and praying for them. Dialara and her sister in Central Asia loved receiving some post!

"You have not lived today until you have done something for someone who can never repay you."
