Dear Parents

Apologies for not being in touch recently, but with everything that has been going on in the world, other things have taken priority. This is just to give you an update on what we are hoping to do for the rest of the school year.

Smartie Challenge

Due to lockdown this had to be postponed. However, we are still looking at this going ahead and would ask that any 20p's or any loose change (in or out of the smartie tube) be in the class jars by Thursday 27th May (last day). Each jar will be added up and the class raising the most will have a treat afternoon with pizza, W/C14th June.

Rainbow Raffle

We are going to be holding a donation day on Thursday 27th May. The idea being that each class will be allocated a specific colour and they will be asked to bring something in of that colour. It will be non-uniform and if they want the children can wear the colour allocated to their class, however, this is optional. So if their class is given red they can bring in anything red ie: red wine, ketchup, shower gel, a red football, maltesers. Anything of that colour, but we would ask that items are in date and nothing fresh.

The donations will be made up into hampers of the specific colours with maybe a couple of 'rainbow hampers' too.

Tickets worth £5 (£1 each) will be sent out in envelopes with each child W/C 7th June. To be returned by Friday 9th July and the draw will be made on 16th July. Further tickets will be available on request from the school office.

Ice Lollies

Hopefully, when (and if!) the weather improves, we hope to be able to start our popular ice lolly sales. Due to the current situation we may have to do things a little differently (exact money, no change given) but we will let you know in plenty of time.
